

IMPORTANT ANNOUNCEMENT

December 19, 2008

To Our Valued Customers,

We are all experiencing the dramatic slowdown in the economy and in our businesses. In order to remain successful, we face difficult choices as we go forward. Effective January 1, 2009 we are making two significant changes to our operation:

1. Our business hours will be 8 AM – 4 PM, Monday through Friday.
2. We will shift available inventory between our two quarries to minimize production over the winter while assuring that we have the products on hand when and where you need them. The source quarry for deliveries will be solely at our discretion. I assure you that all of our quality products are VDOT tested and approved.

We choose to move ahead, to look to the future, to make the necessary decisions that insure the viability of our products, plants and employees. We ask for your support in helping us provide you with the products and services you need.

Sincerely,
C. S. MUNDY QUARRIES, INC.
